

Document No. 136  
Reimbursement Agreement  
Metropolitan Transit Authority  
Adopted at Meeting of April 5, 1961

AGREEMENT made April 5, 1961, between the BOSTON REDEVELOPMENT AUTHORITY, a body politic and corporate, created under the General Laws of the Commonwealth of Massachusetts, Chapter 121, Section 26QQ, hereinafter called the Redevelopment Authority, and the METROPOLITAN TRANSIT AUTHORITY, a body politic and corporate and a political subdivision of the Commonwealth, established under the provisions of St. 1947, Chapter 544, as amended, hereinafter called the Transit Authority.

WITNESSETH that,-

WHEREAS, the Redevelopment Authority has in the City of Boston a Project known as the West End Redevelopment, which includes certain existing streets in which the Transit Authority has installed in locations therein and maintains and uses conduits and electric cables; and

WHEREAS, said Redevelopment Authority has discontinued said streets and the removal of said conduits and said cables from said locations is required; and

WHEREAS, St. 1957, Chapter 140, Section 26V of said Chapter 121 of the General Laws has been amended by adding at the end of said section the following paragraph:-

"A housing or redevelopment authority shall reimburse the Metropolitan Transit Authority for all cost and expense incurred by said Authority in connection with the removal or relocation of poles, tracks, wires, conduits, cables, or of any other structure, or appurtenance thereto, whether located

"in public ways or other areas, whenever a housing or redevelopment authority undertakes a project under this chapter and the removal or relocation of any of such facilities is required in connection with such undertaking.";

and

WHEREAS, the parties hereto have reached an agreement as to the estimated cost of the work and material used for carrying out said conduits and relocation and replacement of the Transit Authority's cables and conduits, as shown in "Schedule A" attached hereto and made a part hereof;

NOW, THEREFORE, in consideration of said St. 1957, Chapter 140, amending said Section 26V of Chapter 121 of the General Laws, and every other consideration, the Redevelopment Authority and the Transit Authority hereby agree, each with the other, as follows:

#### WORK

The work to be done by the Transit Authority at the expense of the Redevelopment Authority consists of constructing by its own forces or by its contractors or agents the conduits shown on the plans attached and made a part hereof, of constructing new manholes and installing new cables and returns in said new conduits and manholes in new locations approved by the Department of Public Utilities by its Order No. 13381, dated October 5, 1960, and the removal of the abandoned cables and returns, and such additional work as may be shown on supplementary

plans prepared and filed by the Chief Engineer of the Transit Authority.

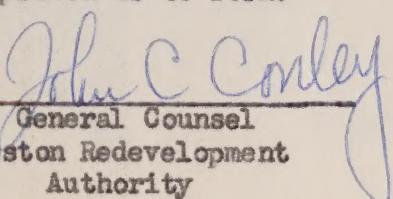

EXPENSE

The entire cost and expense of the removal and relocation of such facilities of the Transit Authority as above described shall be borne by the Redevelopment Authority, as provided by said Statute 1957, Chapter 140, and the Redevelopment Authority shall reimburse the Transit Authority for the actual cost of the work done and materials furnished by the Transit Authority under this Agreement, less the value of materials removed.

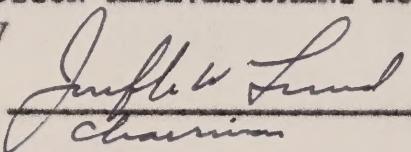

An estimate of the cost of the work to be done and materials to be furnished by the Transit Authority, as prepared by the Transit Authority, is contained in said "Schedule A".

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day and year above written.
